

Thomas A Becket Infant School
Parent Survey – June 2026

Last half term we invited parents to complete a general survey that provided us with feedback on our school on some key areas. Here is a summary of these outcomes. Thank you to everyone that responded. We had 16% return rate. The outcomes were very positive – thank you.

Main Points...

99% of parents agree school gives their child the right support to enable them to learn well.

99% of parents agree the school keeps them safe.

99% of parents would recommend the school to another parent.

97% of parents agree that their child is happy at school.

93% of parents had either not raised concerns or agreed that when concerns had been raised the school has dealt with these.

	Whole School
	June 2026
My child is happy at this school.	97%
My child feels safe at this school.	99%
The school makes sure its pupils are well behaved.	100%

When I have raised concerns with the school, they have been dealt with properly.	93%
When the school makes decisions, it has the child's best interests at heart.	97%
The school gives my child the right support to enable them to learn well.	99%
Would you recommend this school to another parent?	99%

Neutral responses have been included in the agree/strongly agree outcomes

It's a big school but feels like a small, intimate a school that see's the child as an individual.

Everything! Wonderful teachers and staff who know the children individually and push them to achieve their best results.

Our child enjoys coming to school every day, has made good progress, and feels valued and included.

Range of projects to used to help enable learning and engagement.

The sense of community and shared values.

They make curious learners in a safe and caring environment.

A wonderful and positive school where successes are recognised and celebrated, helping children to feel proud of themselves and their classmates.

it's very nurturing, both my children have absolutely loved it.

Even better ifs...and actions

Communication Improvements

Our survey responses highlighted that some parents feel communication could be improved. Key issues included receiving too many messages, the use of multiple apps, and difficulties navigating the MCAS app. We are currently reviewing this area and exploring ways to streamline communication, while ensuring the MCAS app is used more effectively and consistently.

Consistency with Home Learning and Timings

Some parents also raised the need for greater consistency in home learning expectations and timings. This is an area we will continue to develop to ensure clarity and a more structured approach moving forward.
